Under the supervision of Coach Horne the Golden Eagle offense continued to be one of the leaders in the area for offensive production. The offense combines a lethal running attack that has developed a reputation for pounding its opponents into submission. The precision passing game continues to keep opponents off balance. Coach Horne is especially thankful to all of his former Offensive Linemen who have left indelible marks on the history of Naples football. We are where we are today because of the seeds

of hard work they planted over the years. Coach Horne sends a special thanks to his fellow coaches who inspire him to daily push beyond average and explore the realms of extraordinary. Finally, Coach Horne gives glory to the Father for our accomplishments at Naples High.
